GOOD MEETING HELD AT LAWRENCEBURG.

An Interurban Line From This City to the Capital of Anderson Pretty Well Assured.

A committee consisting of about twenty members of the Business Men's Club of this city went to Lawrenceburg, on Tuesday last, and took part in an enthusiastic meeting of the good people of Lawrenceburg and Anderson county to boost the proposed interurban line from this city to the capital of Anderson.

Addresses were delivered by Mr. W. S. Farmer, Col. Geo. B. Harper, Col. C. E. Hoge, Dr. U. V. Williams, and Mayor E. E. Hume, of the committee from this city, setting forth the vast importance of the road to both cities.

Addresses were made upon the part of the Lawrenceburg Business Men's Club by Judge Wm. Dowling, Mr. Geo. G. Speer, Dr. N. V. Kavanaugh, Mr. J. M. Johnson, Mr. Geo. A. Williams, Mr. J. W. Gaines, Capt. T. J. Ballard, Mr. Frank Ripy, and Mr. W. P. Marsh.

At the conclusion of the conference the following committee was appointed to look over the field and to recommend such action as will assure the building of the line: W. C. Woods, T. J. Ballard, J. W. Gaines and G. W. Hutcheson, of Lawrenceburg; G. B. Harper, D. W. Lindsey, C. E. Hoge and W. S. Farmer, of Frankfort.

The meeting was a large and enthusiastic one and high hopes are entertained of the success of the enterprise, which will be a profitable one from the outset.

NOW FOR BUILDING THE VERSAILLES LINE.

The City Council, on Monday night, unanimously passed the ordinance granting the Traction Company the needed franchises for the building of roads from this city to Versailles, Lawrenceburg, Owenton and Shelbyville.

Thus the last obstacle is removed from the way of constructing the roads, first from this city to Versailles.

We are assured by those in a position to know that the work of

Mother

Lost Reason After LaGrippe.

Daughter Had Frequent Spasms.

Dr. Miles' Nervine Cured Them Both.

Dr. Miles' Nervine is a specific for nervous disorders. It removes the cause and effects a speedy and permanent cure.

"I feel it is my duty to let you know that your medicines have cured my little girl of nine, of spasms. She commenced having them at the age of three. Our family doctor said she would outgrow them but she did not. We took her to another physician who said her trouble was epileptic fits in a mild form. He did her no good either. She was so nervous she could hardly walk. As I had already used Dr. Miles' Nervine and found it a good remedy for myself I commenced giving it to my child. I gave her in all ten bottles of the Nervine and one of the Blood Purifier. That was over two years ago and she has not had an attack since we commenced the treatment. She is no longer troubled with nervousness and we consider her permanently cured. I enclose her picture. My mother-in-law lost her reason and was insane for three months from the effects of LaGrippe. Six bottles of Dr. Miles' Nervine cured her. My sister has also taken it for sick headache with good results. We all thank you very much for your good medicines and kind advice. I don't think there is any other medicine half so good. I send my daughter's photograph so that you may see what a sweet little girl lives out in Arkansas."—MRS. HANNAH BARRETT, Springdale, Ark.

construction will be begun as quickly as necessary arrangement as to men, material and machinery can be made, in no event to be over a month.

We rejoice to know that this long hoped and prayed-for improvement is at last to be an accomplished fact.

It means much for the upbuilding of dear old Frankfort's business interests and for the advancement of the interests of the good people who live along the proposed line, in the increased value of their farms and in the facilities of transportation for their families to the schools and social entertainments of the city.

The gentlemanly, intelligent and progressive management of Superintendent J. D. Sallee has been no small factor in enabling the company to accomplish the gaining of the franchises without friction.

EX-GOV. ROBT. L. TAYLOR WINS.

In the State Democratic primary for the nomination of a candidate for U. S. Senator from Tennessee, held on Saturday last, Ex-Gov. Robt. L. Taylor was nominated by over 20,000 majority over Senator Edward W. Carmack, the present incumbent.

Gov. Taylor is well known as "fiddling Bob," because of his use of a violin in a campaign between himself and his brother, Hon. Alfred A. Taylor, for the office of Governor. Both were expert violinists and they would, in this unique campaign, travel together, sleep together, play the violin together on the platform and then pitch in to each other politically—one being a Democrat and the other a Republican. Gov. Bob pulled through on a narrow margin, and served two or three terms as Governor. He is an able man, and has a national reputation as a lecturer.

Oftentimes in the sudden illnesses of children if a reliable remedy is available fatal consequences can be avoided. For these emergencies parents are urged to have at hand ready for immediate use Dr. Shoop's Diphtheria Cure, Dr. Shoop's Croup Cure, Dr. Shoop's Worm Cure and Dr. Shoop's Pain Panacea. Children's ailments demand promptness above all else. There is nothing harsh or that can possibly harm in any of these excellent household medicines. Sold by all dealers.

"PLUCKY PILCHER."

Mr. Louis Pilcher, editor of the revived Nicholasville Democrat, had a pretty vigorous article in his last week's paper, in which he used plain terms. City Marshal Jordan Peel took offense at the article and went to the Democrat office and assaulted Pilcher (who is a slight and delicate man), knocking him down before he could reply to a question in a regard to the matter.

Pilcher managed to get to his feet, secured a gun from his desk and fired two shots at Peel, one of them taking effect in his shoulder, inflicting a painful wound.

Andrew Scott's property, on Shelby street. Squire Scott procured a step ladder and a saw and Mr. Mattern climbed upon the ladder, sawed off the limb, shouldered it and carried the bees to his home on Logan street, where he hived them, and now has a contented and industrious colony.
